

INTERNET SAFETY REMINDERS

Even adults can use the occasional reminder.

CHECK THE EMAIL ADDRESS

Receive an email?

Double check the email address. Does it look legit? Is it from an email address you were expecting? If you are unsure, reach out to your instructor prior to opening.

CHECK THE DOWNLOAD

Asked to download something?

Double check the file name. Does it look legit? Does it match what you were asked to download? If you are unsure, reach out to your instructor prior to downloading.

CHECK THE LINK

Asked to click on a link?

Double check the website. Does it look like the link should be there? Does the link's name make sense? If you are unsure, reach out to your instructor prior to clicking.

CHECK WHAT YOU POST

Asked to share personal info?

Double check the prompt. Do you need to share personal information to answer it? If you are unsure, reach out to your instructor prior to posting.

WHEN IN DOUBT, ASK YOUR INSTRUCTOR!
